Nigel Qualter Plumbing has been carrying out disabled adaptations for many years. We can transform your home for all your required needs. We offer a complete design and installation service for walk in and level access showers, kitchens for wheel chair access as well as ramps and door entry systems. We believe that you shouldn't pay the earth for the human right to bathe safely and independently. We have for many years provided bespoke disabled bathroom adaptations and wet room solutions to satisfied customers.

We can offer help with any of the following:

- [Walk in, flush floor and wet floors](#)
- **Level access**
- **Low level access**
- **Tiled or vinyl covered floors**
- [Underfloor heating](#)
- **Half height enclosures**
- **Bespoke enclosure design service**
- **Waste gulley's for all situations**
- **Waste water pumps**
- **Raised height WCs**
- **Clos-o-Mat fully automatic WCs**
- [Walk in baths](#)
- **Baths with seats**
