Whether you have a kitchen in need of new wall tiles, or are looking to put down new floor tiling in your bathroom, Nigel Qualter Plumbing can help you with any tiling needs, big or small. Tiling is a highly skilled trade requiring knowledge of all types of tile, whether it be ceramic, porcelain, marble, granite or other natural stone. We're trained in all aspects of tiling and will take time to talk you through your requirements. We cover all aspects of wall and floor tiling, undertile heating and waterproof tanking which prevents water penetration in wet areas. With competitive rates and free estimates, all work is fully insured and carried out to the highest standards of workmanship in a clean and professional manner.
